

Re: ACH Direct Deposit Royalty Payments

We are pleased to provide you with the option to receive your payments electronically. Any payments you receive from Repsol will be directly deposited into one domestic US bank account designated by you, providing a number of benefits:

- Access to your funds faster
- Increased Security – eliminates risk of lost, misplaced or stolen checks
- Email notification received when funds have been sent for deposit
- Saves time and money – preparing deposits and traveling to the bank is eliminated
- All banking information is confidential and secure

You have the option to elect to receive a notice of payment by e-mail when funds are deposited into your account. There is no charge for this service.

We encourage you to elect to receive electronic payments by completing the reverse side of this letter, and returning it by mail to the *attention of US Payments*. Our address is:

Repsol Oil & Gas USA, LLC
50 Pennwood Place
Warrendale, PA 15086
Attn: US Payments

Alternatively, you can e-mail a scanned copy to uspayments@repsol.com

Texas Interest Owners

If you choose not to elect direct deposit payments, you will be paid via check. Please note Repsol's minimum check payment amount is \$100. Your balance will accumulate each month and pay out once the \$100 minimum is reached.

Pennsylvania & NY Interest Owners

If you choose not to elect direct deposit payments, you will be paid via check. Please note Repsol's minimum check payment amount is \$25. Your balance will accumulate each month and pay out once the \$25 minimum is reached.

Please allow 30 – 60 days for setup, change or termination of automated payments. Pending setup and authorization of your banking information, you will continue to receive physical checks via U.S. Mail.

If you have any questions or concerns about electronic payments, please contact our **Good Neighbor Call Center at 1-866-566-4747** or via e-mail at infoUS@repsol.com
